

On 26 and 27 October 2017 all partners of the Promise project had their first annual meeting at hotel “de Wageningsche Berg” in the Netherlands, hosted by the Netherlands Institute of Ecology (NIOO-KNAW). Also present were two Scientific Advisory Board members and two representatives of the Bill & Melinda Gates foundation. In total 27 people attended. The meeting focused on the milestones reached in year one of the project and on the goals set for year two.
